

## Grade 8 Books 2019-2020

You may access the online e-Follett website through the School's website at [www.thewoodwardschool.org](http://www.thewoodwardschool.org), or go direct to [www.efollett.com](http://www.efollett.com). On the left navigation bar of the school website, please select Textbooks by Grade 2018-2019, then select your grade level. In addition to the [www.efollett.com](http://www.efollett.com), website, you may search the *ISBN number* of any book to locate new and used books online at best prices from other web vendors. However, please be sure to check the book's *ISBN number and edition* before purchasing a book. Some students will prefer to download books onto an iPad or other tablet. This is permissible, except in specified cases. The English Department has enclosed a letter in this regard. In addition, Follett has options for rental of books. Finally, it is recommended that you delay purchasing a book if you intend to make a schedule change. If you have any questions, please contact Mrs. Gordon at the School at 617-773-5610 for help.
